The Government Director, Iron Works, who was requested to intimate which of the above two alternatives was acceptable to the Iron Works, states in his letter No.540 dated 16th September 1925 that the matter is under consideration of the Board. No final reply has yet been received.

At present contribution is being recovered on behalf of the officers lent to Iron Works, only for pension according to the old rules of the Mysore Service Regulations and consequently the foreign body has to pay the leave allowances except in the case contemplated in Article 421 Mysore Service Regulations which though cancelled when the rule in Article 409 was amended must be held to apply to those whose cases are regulated by the old rule.

will be held to have a lien on the appointment of Government Director, Iron Works unless otherwise ordered.

Out of the 4 months privilege leave now sanctioned, he has earned two months and 5 days leave under Iron Works and the rest under Government.

Under the existing rules the privilege leave allowances of an officer on foreign service is to be borne by the foreign body except in cases contemplated in Article 421 Mysore Service Regulation which though now cancelled, will apply to those cases are regulated by old rules. This has been practice till now though the application of the rule sometimes throws undue burden on the foreign body
